

Join the #MOMblink mission moretobe.com

If you'd like to be intentionally about savoring this season of motherhood, join in the #MOMblink mission by embracing the following opportunities as the Lord leads you:

GIVE THANKS TO GOD

Take time to give thanks to God for the moments in which you paused to give whole-hearted attention towards your children.

CAPTURE THE MOMENT

Take time to photograph those "must savor" moments of real life with your kiddos. Feel free to post them on social media using the tag #MOMblink, but don't let that become a distraction from enjoying the moment.

ASK for ACCOUNTABILITY

Share your mission with one or two friends and ask them to check in with you every week and see how you're doing in savoring this time with your children.

GREEN STRING REMINDER

Tie a green string around your wrist and wear it for 30 days. Why green? Because it reminds us of growth and we want to grow in this area of motherhood.

Whether you join in the #MOMblink mission with as much intentionality or simply strive to make the most of this moment with your children, I pray that you would most of this season of motherhood. May you walk in His grace and embrace His fresh mercies everyday, not only as moms, but as His chosen, holy, and dearly loved daughters.
